

Description

REF #FHV002

Located in one of the most exclusive address in Jimbaran next to Four Seasons Resort, this luxury boutique villa sits on a 560m2 land and over look the hills and the ocean.

Total of 4 en-suite bedrooms with 3 of them being downstairs and the master bedrooms upstairs, the atmosphere remains as the charm of luxury Balinese style, with western comfort and traditional feeling combining stones, woods and Alang Alang roof (thatch roof). Each of them have view to the lush garden, overflow swimming and the jungle hill with large private terrace in the master bedroom.

The living & dining can be fully opened or en-closed, spacious and complimented by the kitchen area. The property is fully furnished ready to move in and it has a third floor terrace with panoramic view to the Jimbaran Bay and the airport.

The villa is the best unit of this exclusive complex and can be used as a residential or a commercial use through the professional management.

Step to the beach and it had been full renovated in 2016.
