

## Description

REF #FHV005

Designed by renown architectural firm GFAB, the owners worked closely with GFAB owner Gary Fell to create this state of the art Villa. With impeccable taste, there is a Zen influence to the design, particularly around the pool, so your mind will soon reflect your surroundings ? no clutter, no noise, just peace and tranquility.

Everything, from furniture to artwork, has been designed bespoke for the villa, including beds from which you just won't want to rise.

Main Villa lower level:

- full sized kitchen designed by DP kitchens and imported from Belgium and Italy (Meille and Barette appliances, stainless counter-tops, black lacquered cabinetry, full sized walk in pantry

- preparatory kitchen counter-tops have removable tops for servicing large parties with deep sections for catering, ice, and bottles
